2.7.4 - Synthetic safety summary

Synthetic safety paragraph 1. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 2. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 3. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 4. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 5. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 6. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 7. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 8. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 9. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 10. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 11. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 12. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 13. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 14. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 15. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.

[1]Synthetic footnote: n=3 at release.

Synthetic safety paragraph 16. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 17. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 18. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 19. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 20. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 21. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 22. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 23. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 24. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 25. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 26. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 27. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 28. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 29. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 30. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 31. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 32. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 33. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 34. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 35. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 36. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 37. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 38. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 39. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 40. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 41. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 42. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 43. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 44. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 45. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.

Synthetic safety paragraph 46. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 47. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 48. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 49. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 50. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 51. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 52. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 53. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 54. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 55. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 56. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 57. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 58. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 59. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 60. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 61. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 62. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 63. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 64. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 65. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 66. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 67. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 68. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 69. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 70. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 71. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 72. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 73. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 74. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 75. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.

Synthetic safety paragraph 76. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 77. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 78. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 79. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 80. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 81. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 82. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 83. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 84. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 85. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 86. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 87. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 88. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 89. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 90. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 91. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 92. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 93. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 94. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 95. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 96. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 97. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 98. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 99. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 100. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 101. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 102. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 103. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 104. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 105. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.

Synthetic safety paragraph 106. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 107. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 108. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 109. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
Synthetic safety paragraph 110. No actual participant, study finding, legal opinion or agency communication is represented by this fixture.
